

# Live & Learn

SRM Dental College provides unmatched academic credentials with aesthetically stunning surroundings that provides a welcome touch of inspiration which is exceptional in an urban setting.

The Institution is devoted in nurturing students in the field of Dentistry. Helps them to take greater strides by acquiring knowledge and understanding dentistry in a holistic manner.

Ignites passion in young minds to learn, provides tranquillity and peace a scholar needs in a academic environment.

## WHO WE ARE

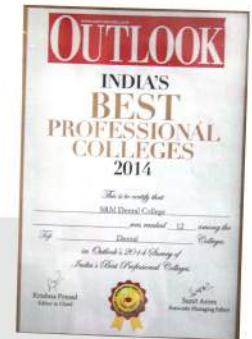

- ★ SRM Dental College is an integral part of the Valliammai society, established in the year 1996, the institution has rapidly developed as an undisputable leader in field of dental education.
- ★ SRM Dental College is a trailblazer among the dental colleges in the country to be entrusted with 100 admissions in the very first year of its inception.

The institution was the first Dental College in the entire country to be bestowed by a deemed University status in the year 2002. Growing by leaps and bounds the institution started the post-graduate program in the year 2005 with 29 seats in six specialities, enhanced the number of specialities to 9 and seats to 54 by the year 2012

The conceptualizations of quality of an academic institution in terms of student achievements, faculty accomplishments, and institutional academic resources are best indicated by ratings given by reputed agencies. SRM Dental college has been rated by the Outlook magazine as one of 15 best dental colleges in the country and as the best college in Tamil Nadu consistently from the year 2010. The National Assessment and Accreditation council (NAAC) has graded SRM dental college as A+. The institution has obtained ISO 9001:2008 Certification from TUV South Asia.

## CERTIFICATIONS

## WHAT WE DO
